DIRECTORATE OF MEDICAL EDUCATION AND RESEARCH, MUMBAI
PROCEDURE FOR ENTRANCE EXAMINATION AND SELECTION OF CANDIDATES
FOR DM/MCh SUPERSPECIALITY COURSES AT
MEDICAL COLLEGES/INSTITUTIONS IN
MAHARASHTRA FOR THE YEAR 2014

1. INTRODUCTION:

Govt. of Maharashtra has been conducting Superspeciality entrance examination (MH-SSET) since 1990. The merit list of this entrance examination (MH-SSET-2014) will be utilised for selection of candidates for admission to all DM & MCh Superspeciality courses at the Medical colleges/Institutions in the state of Maharashtra in the academic year 2014-2015

1.1 Clarification

The Hon'ble Supreme Court (Bench of Hon. 7 judges) has delivered a judgment on 12/8/2005 in the case of P. A. Inamdar in respect of 'rights and entitlement' of Government as against Private Professional Educational Institutions (including Private Medical Colleges/Institutions conducting Superspeciality Postgraduate Medical Courses). This judgment expects enactment of legislation by Central Government and in its absence, by State Government in this regard. This process has been initiated. However it is not certain, as of this date, as to when such legislation will come into force, as also its provisions.

In the meanwhile, in terms of the observations of the Hon'ble Supreme Court from the aforesaid judgment, at least at this stage, it appears that State Government cannot claim any quota/seats in these colleges/institutions and consequently cannot effect admissions in these Private Medical Colleges/institutions, except to the extent agreed to with certain institutions.

It is therefore made clear that on the aforesaid interpretation and advice given to the State Government, this Brochure will not apply to the admissions to be effected in the academic year 2014-2015 at the Private Medical Colleges/Institutions, in so far as Superspeciality Postgraduate courses are concerned, with the above exception.

However, it is made expressly clear that if, after issuance of this Brochure, either on account of any legislation or on account of any different interpretation/opinion/advice or due to any judgment/order passed by any court of law or even otherwise, the State Government is found entitled to any seat(s) in the Private Medical Colleges/Intutions and consequently entitled to effect the admission(s) to such seat(s), the rules and regulations set out in this Brochure will be made applicable to such seat(s) and admission(s). In such event, a separate intimation will be issued with appropriate details.

It is also made hereby clear in no uncertain terms that the same 'Common Entrance Test' that is proposed to be conducted in terms of this Brochure will govern such admission(s), if any.

1.2 It is perceived that to become a Superspecialist, one needs to be a good generalist. Hence this entrance examination gives a fair chance to all eligible generalists to compete for the coveted seats. The entrance examination will be in the form of multiple - choice questions (MCQs). The answer paper will be scanned and data response generated will be assessed with the help of computer software to generate the marks and merit. The chances of error in this assessment system are nil. The admissions will be done on the basis of MERIT in MH-SSET examination.

1.3 The brochure for MH-SSET-2014 contains a single application form for entrance examination as well as rules for admission to various DM & MCh Superspeciality Courses, subject to eligibility criteria. It also contains procedure for admission, process of selection, number of seats available and the names of institutes where these courses are conducted. These procedures are compact, specific and self-explanatory. These procedures are applicable to the seats available for the year 2014. No promise is implied therein for subsequent year(s) and no expectations be based on these procedures for future.

2. DEFINITIONS of important terms are given in annexure "A"

3. THE COMPETENT AUTHORITY:
