9. **Subject & College codes:-**The subject & college code is a **two digit number specific for each subject & college combination.**
10. Subject & College code numbers are specific. Code No. represents a particular subject in specific college. e.g. :-

Code No.	Subject	In Medical College
11	DM Cardiology	GMC, Mumbai
21	DM Nephrology	GSMC, Mumbai
54	M.Ch. CVTS	LTMMC, Mumbai
67	M.Ch. Urology	BHIMS, Mumbai

-
-
11. Subject & College codes are given to courses existing in those colleges. For these codes one or more number of seats may be available. Therefore subject and college code choices can be given as preferences, considering eventuality of availability of such seats. Seat distribution is shown in separate table.
 12. **Seats distribution chart** contains available seats. Seat distribution chart is subject to change as per instructions of MCI/Court directives/Transfer of PG Teacher.
 13. **Preference form:** Candidates will collect the Preference form from the counter. The Preference form will be pre printed along with the relevant information of the candidate, which he/she has filled in his/her original application form along with his Roll Number, State Merit List Number, MH-SSET Marks etc. Preference form should be handled carefully and should not be folded, stapled or spoilt in any way.
 14. **Candidate will be issued only one Preference Form. Duplicate/another Preference form will not be issued.**
 15. In case the candidate is not eligible for admission according to rules, the Preference form will not be issued or cancelled if already issued.
 16. Candidates remaining absent for the process of preference from filling will not be issued preference form after the programme is over.
 17. Candidate should read all instructions before filling the preference form. Candidate should note carefully the subject & college codes. Candidate must first fill the specimen copy of Preference form given in the brochure with pencil for practice. Once the candidate is satisfied with his choices filled on specimen copy of Preference form, then he should start filling the actual Preference form using **black ball point pen**.
 18. The Candidates are advised to clearly note the following contents carefully. Any Candidate if selected on merit for Superspeciality courses not recognised by the Medical Council of India (MCI) will be admitted only on the submission of an undertaking that he / she is fully aware of the Non-recognised status of the course and its consequences.
 19. Candidate should write his most preferred subject and college code as Preference no. 1 followed by his next choice as Preference no.2 and so on. While filling the subject and college codes, number should be written in boxes, one digit in each box (2 digit number - 2 boxes). **As the form will be scanned by Computer, candidate should write the codes with black ball point pen and with neat, legible, clear handwriting.**
 20. Candidate must be very careful while filling the Preference form. Candidate can fill desired number of preferences for which he/she is eligible. The same subject and college code should not be filled more than once. In case the candidate fills same code more than once, its higher Preference number will be considered and subsequent repeated preference number will be ignored. If the candidate fills wrong code number it will not be considered.
 21. If a candidate does not give preference for a particular subject and college codes, then it means that he is not interested/does not want to take those subject and college combinations. Candidate should note that there will be no change/addition/deletion in his list of preferences at later date/stage.
 22. If a candidate has given preferences and if he by his merit and preference gets selected for a particular subject and college code; then he has to join that course as per procedure. In case he does not join the course, he is debarred from subsequent admission process of MH-SSET-2015.

-
-
23. In case candidate is not selected for any of his preferences in first round, then he remains eligible for vacant seats round for these preferences only, which he has given in the preference form.
 24. For filling of vacant seats after first round, same preference form will be considered and no separate preference form will be required to be filled by the candidate.
 25. The candidate should submit his duly filled Preference form at the specified counter. Candidate shall inform regarding any correction in the name if required at the counter.
 26. **Data Response Sheet & Verification:** - The Preference form will be scanned and data response sheet in duplicate will be generated and will be given to the candidate for checking. Candidate should check that the data i.e. SML No. Name and his Preferences and subject college codes have been correctly printed. After verification the candidate can report discrepancy if any in the data and it will be duly corrected according to his/her preference form. If the candidate does not report any discrepancy, it will be presumed that the data entered against his/her name is correct and subsequently corrections will not be made at later time/date.

The candidate should sign the data response sheet copies. Candidate will be given one copy of data response sheet for his record and office will keep the preference form and one copy of data response sheet.
 27. Candidate should note that the **Preferences** of subject and college combination codes, once entered in the record/data, after verification by the candidate, shall be **final and irrevocable**. Thereafter there can not be any change, addition or deletion of Preference entered by candidate. This final data shall be used in entire selection process for the admission to Medical Superspeciality courses.
 28. This completes the process of Preference form filling.
