Clarification

It is informed to this office that one email is circulating in social media among candidates who completed their internship. It is mentioned in the email from this office, that those who didn't fill UG bond service registration form will have to remain present before Hon'ble High Court Mumbai on 26/04/2021. It is hereby made clear that it is not true. No such Petition is filed by this office. There should not be any panicking among candidates. Those who have not registered yet because of non completion of internship can register in first week of May. Your services are essential due COVID19 pandemic. Once you are selected for PG course you are allowed to discontinue your service. Therefore you are requested not to circulate false news/email and create panic among your friends.
